Any Series of Obligations issued for the purpose of refunding any Pre-existing Indebtedness shall be so authenticated and delivered only upon receipt by the Trustee, in addition to the documents required by the Resolution, of an Opinion of Bond Counsel to the effect that such Pre-existing Indebtedness has been exchanged, paid or is deemed to have been paid within the meaning and with the effect expressed in the related authorizing resolution or other document, which opinion may rely upon a certificate of an Authorized Officer or an independent verification agent to the effect that sufficient money and defeasance securities have been placed in escrow to provide for the payment of the principal or Redemption Price of, and interest on, such Pre-existing Indebtedness as such obligations mature, are tendered for purchase or exchange, or are called for redemption in accordance with the related authorizing resolution or other document. The proceeds received on the sale of such Obligations shall be applied in the manner provided in the Supplemental Resolution authorizing such Obligations and in any related escrow agreement.

(Section 205)

There are pledged for the payment of the principal and Redemption Price of, and interest on, and Sinking Fund Installments for, the Obligations and, on a parity basis, Parity Debt, in accordance with their terms and the provisions of the Resolution, subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution, all right, title and interest of the Issuer in the Trust Estate. *The pledge created by the Resolution, insofar as it relates to any portion of the Trust Estate pledged pursuant to the Prior Lien Resolution is (i) subordinate in all respects to the pledge thereof created*

pursuant to such Prior Lien Resolution and (ii) subject to the covenants and agreements made with the holders of obligations outstanding under the Prior Lien Resolution; and, so long as the lien of the Prior Lien Resolution remains, no payment shall be made from the Trust Estate, whether for interest, principal or premium on any of the Obligations, except as and to the extent permitted by the Prior Lien Resolution. In order to provide for the payment of the Obligations and Parity Debt and the fulfillment of its covenants and agreements under the Resolution so long as the lien of the Prior Lien Resolution remains, the Issuer shall, subject to the provisions of the Prior Lien Resolution, (i) transfer or cause to be transferred pursuant to the Prior Lien Resolution, free and clear of the lien and pledge of the Prior Lien Resolution, all amounts available to be transferred in accordance with the terms of the Prior Lien Resolution in order to fulfill the requirements of the third paragraph of the section of the Resolution summarized under the caption "MTA Dedicated Tax Fund; Application Thereof" and (ii) transfer or cause to be transferred pursuant to the Prior Lien Resolution, free and clear of the lien and pledge of the Prior Lien Resolution, all amounts available to be transferred in accordance with the terms of the Prior Lien Resolution in order to fulfill the requirements of the fourth paragraph of the section of the Resolution summarized under the caption "MTA Dedicated Tax Fund; Application Thereof".

The pledge created by the previous paragraph shall in all respects secure on a pari passu basis all of the Obligations and Parity Debt and, except as expressly so provided, nothing contained in the Resolution shall be deemed to confer on the Owners of any Obligations or Parity Debt any rights in the Trust Estate superior or inferior to the Owners of any other Obligations or Parity Debt.

The pledge created by the first paragraph of this caption shall be valid and binding from and after the date of issuance and delivery of the first Obligations, and the Trust Estate shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer irrespective of whether such parties have notice thereof.

Subject to the provisions of the first paragraph of this caption, the Trust Estate and the MTTF Receipts and MMTOA Receipts are and will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by the Resolution, and all corporate action on the part of the Issuer to that end has been duly and validly taken.

Nothing contained in this caption shall be construed as limiting any authority granted to the Issuer elsewhere in the Resolution to issue or incur Obligation Anticipation Notes, Subordinated Indebtedness or Subordinated Contract Obligations or shall be deemed a limitation upon the authority of the Issuer to issue any other bonds, notes or other obligations under the Issuer Act secured by any income and funds other than the Trust Estate.

(Section 501)

The portion of any such amount determined by Supplemental Resolution to be used for the payment of Costs of Issuance shall be paid into and disbursed from the related COI Subaccount.

Unless otherwise provided for in a Supplemental Resolution or in the resolution authorizing Obligation Anticipation Notes, amounts in each Proceeds Account, if any, and each Subaccount, if any, shall be applied solely to the payment of Capital Costs in the manner and upon such conditions, if any, as the Issuer may provide in such Supplemental Resolution or in the resolution authorizing Obligation Anticipation Notes; provided, however, that, subject to any priority for Obligation Anticipation Notes, if on any interest payment date or Principal Installment due date the amounts in the Debt Service Fund shall be less than Debt Service payable on such date, the Issuer shall apply amounts from the Proceeds Fund to the extent necessary to make up the deficiency.

(Section 503)

third, transfer, in the discretion of the Issuer, free and clear of any lien, pledge or claim of the Resolution, any remaining MTTF Receipts into the Operating and Capital Costs Account or as otherwise required or permitted by law.

After all amounts, if any, then on deposit in the MTTF Receipts Subaccount have been applied as set forth above, amounts in the MMTOA Receipts Subaccount shall be immediately applied by the Issuer as follows:

Such amounts shall be applied by the Paying Agents to such payments on and after the due dates thereof. In making such payment from the Debt Service Fund the Trustee shall apply to such payments, first, any amounts on deposit in the MTTF Receipts DS Account, and, second, to the extent necessary, any amounts on deposit in the MMTOA Receipts DS Account.

If on any date the sum of the amounts on deposit in the MTTF Receipts DS Account and the MMTOA Receipts DS Account exceeds the MTTF Debt Service Account Requirement calculated as of such date, the Trustee shall, unless directed by the Issuer not to make such application or transfer, first apply any or all of such excess to cure or reduce any deficiency then existing in any Fund or Account under the Resolution and then transfer any and all of the remaining amount of such excess on deposit in the MMTOA Receipts DS Account to the Issuer for deposit, in the discretion of the Issuer, into the Operating and Capital Costs Account or as otherwise required or permitted by law free and clear of any lien, pledge and claim under the Resolution.

In the event of the refunding (including in connection with any payment at maturity, redemption, purchase, tender or exchange) of any Obligations, the Trustee shall, upon the direction of the Issuer, (a) withdraw from the MMTOA Receipts DS Account all or any portion of the amounts accumulated therein with respect to the Debt Service on the Obligations being refunded and deposit such amounts, free and clear of any lien, pledge or claim of the Resolution, with itself as Trustee or with an escrow agent to be held in trust solely for the purchase, exchange or payment of the principal or Redemption Price, if applicable, of and interest on the Obligations being refunded, (b) apply such amounts to pay the Costs of Issuance of the Refunding Obligations, or (c) deposit such amounts in any Fund or Account established under the Resolution; provided, however, that no such withdrawal or deposit shall be made unless (i) upon such refunding, the Obligations being refunded shall be deemed to have been paid within the meaning and with the effect provided in the Resolution, and (ii) at the time of and giving effect to such withdrawal and refunding, there shall exist no deficiency in any Fund or Account established under the Resolution.

In the event of the refunding (including in connection with any payment at maturity, redemption, purchase, tender or exchange) of any Obligations, the Trustee shall, upon direction of the Issuer, withdraw from the MMTF Receipts DS Account all or any portion of the amounts accumulated therein with respect to Debt Service on the Obligations being refunded and (a) deposit such amounts, free and clear of any lien, pledge or claims of the Resolution, with itself as Trustee or with an escrow agent to be held in trust solely for the payment of the principal and Redemption Price, if any, of and interest on the Obligations being refunded, (b) apply such amounts to pay the Costs of Issuance of the Refunding Obligations, (c) deposit such amounts in any Fund or Account established under the Resolution, or (d) pay such amounts over to the Issuer free and clear of any lien, pledge or claim under the Resolution for deposit, in the discretion of the Issuer, into the Operating and Capital Costs Account or as otherwise required or permitted by law; provided, however, that no such withdrawal or deposit shall be made unless (i) upon such refunding, the Obligations being refunded shall be deemed to have been paid within the meaning and with the effect provided in the Resolution, (ii) at the time of and giving effect to such withdrawal and refunding, no amounts shall be on deposit in the MMTOA Receipts DS Account and there shall exist no deficiency in any Fund or Account established under the Resolution.

(Section 505)

The Issuer may establish such priorities of payment and security among Subordinated Indebtedness and Subordinated Contract Obligations as it deems appropriate.

The Issuer shall have the right to covenant with Persons to whom Subordinated Contract Obligations run and with the holders from time to time of Subordinated Indebtedness in order to add to the conditions, limitations and restrictions under which any additional Capital Cost Obligations or Refunding Obligations may be issued or Parity Debt may be incurred; provided, however, that the Supplemental Resolution or indenture or other agreement providing for the issuance of such Subordinated Indebtedness or the incurrence of such Subordinated Contract Obligations shall not permit the holders of such obligations to declare the same, nor to instruct such holders' trustee to declare the same, to be immediately due and payable prior to any time that all Obligations and Parity Debt have become due and payable.

(Section 506)

Compliance with Laws Relating to Appropriation and Related Matters

(Section 603)
